

**SULLIVAN COUNTY HISTORICAL SOCIETY**  
**Century Farm Awards, Criteria – 2017**

It is the task of the Sullivan County Historical Society to preserve the history of Sullivan County for future generations. The goal of this program is to focus on the agricultural stewardship of family farms evolving from their past.

1. The farm must have been in the same family for at least 100 consecutive years, e.g. the descendant must either live there, farm the land or otherwise have it maintained.
2. Farm buildings, if present, must be in good state of repair, however buildings are not required to be eligible.
3. The farm must contain 25 contiguous acres.
4. Some portion of that land must be agriculturally maintained, e.g. fields or pastures. The use of the land need not necessarily be worked by the land owner themselves.
